

# PARENT & NEW BABY NETWORK

**FRIDAYS, 10-11AM**

**Do you have an infant between 0-12 months of age?**

**If so, we would love to invite you to attend our virtual infant & parent program for a chance to engage, connect with others & have opportunities to share life experiences!**

PNBN is an informal program for parents with babies to introduce their babies to an interactive, social, nurturing & safe environment for all virtually. This is a great opportunity to make new friends & to connect with an EarlyON Educator to provide current information & answer any parenting questions you may have.
